# FORMATTING GUIDELINES

All required data must be included and formatted correctly on the Excel Roster template, or else you will receive errors that will prevent you from submitting your rosters.

- **NOTE:** Do **NOT** delete the header row or any columns. All columns must be present in order to be submitted and accepted by the roster system.

### Formatting Table - Do not leave blank rows between teams in your spreadsheet.

- **Required Fields: Managers/Coaches** - All fields in each row are required for coaches except for birthdate. **IMPORTANT!** Managers/coaches must have unique (different) emails and phone #'s or he/she will not add to roster.
- **Players** - All fields in each row are required for players except for phone and email.

Column Header	Description	Notes
<b>Franchiseld</b>	You must enter the correct franchise ID using the Y prefix with no dash (YXXXX) on each row beginning with row 2.	If you have more than one franchise ID, you must prepare a spreadsheet for each franchise in separate spreadsheets for each franchise.
<b>Division</b>	You MUST use only these age division abbreviations the team's players and coaches on each row. <b>Note: Do not put T-Ball, AA, Coach Pitch, AAA, Majors or Ozone in this field.</b>	<ul style="list-style-type: none"> <li>• <b>6U</b></li> <li>• <b>8U</b></li> <li>• <b>10U</b></li> <li>• <b>12U</b></li> </ul>
<b>Team</b>	Team Name. Duplicate team names in the same division are not allowed, including Strikers 1, Strikers 2, etc.	When re-submitting rosters, team names MUST match the original. Any variation in team name will create an entirely new team in the system.
<b>Role</b>	<b>The only valid options are: Player, Manager, or Coach.</b>	The Manager is the Head Coach.
